HET was established to impart quality higher education in the field of Business, Management & Technology thereby to generate competent and skilled professional to meet not only the corporate world and technological challenges but also to create new opportunities in the fast-evolving global scenario. Further, **HET** will aim to develop as a centre of excellence in the field of business, management, and technical education in Northern Karnataka, in particular and throughout India, in general.

HET is a public charitable trust with service motive. The funds and the income of the trust shall be solely utilized for the achievement of its objectives and no portion of it shall be utilized for payment to the trustees by way of profit, interest, dividends etc. and the benefits of the trust shall be open to all irrespective of caste, creed or religion.

We, at **Hubli Education Trust** are committed to provide quality higher education for fulfilling the needs and expectations of students, parents, business, and society, at large through Total Quality Management (TQM) on a sustained basis.

Further, shouldering the responsibility of ensuring employment for its students , **HET** has tied up with Ma Foi Academy - Career Training Division of Ma Foi Management Consultants Ltd*., for English Language Trainings, Group Workshops, e-Learning & Mentoring throughout the course of study and for subsequent placements.

**Ma Foi Management Consultants Ltd., with its head office at Chennai, is India's largest HR service provider, established in 1992 with a strong network of 65 offices, across 8 countries, 58 in India & 7 overseas subsidiaries Sri Lanka, UK, UAE, Singapore, Malaysia, Oman & USA, serving 163 Fortune 500 companies.*

At **HET**, we ensure that, every student who steps in, steps out with a successful career.

Further, **HET** has strategic alliance with **Anjuman-e-Islam's** Nehru Arts, Science, Commerce, Pre-University & College as well as BBA & BCA College, Hubli, which is accredited with "A" Grade by NAAC, and has more than 1200 students studying in all.
